User Agreement:

To the Parent/Guardian:

CPS provides parents/guardians with internet access to their student's grade information as an optional service which may only be activated by the parent/guardian upon agreeing to the following terms and conditions.

By completing the application for this account, you allow CPS to make your student's grades available to you by means of the Internet on a secure website that is accessible only by a login and password. Only you will be able to see your student's grades. CPS will not make your account/grades available to anyone else.

I agree to the above terms of usage *
(You must check the above box in order to proceed)

Step 3: Add a student account

Welcome to GradeSpeed ParentConnection!

Use the links on the left to view information about your students or to manage your account. Use the dropdown box to select which student you are currently viewing.

Your account currently does not have any students associated with it, or access to students has not yet been approved. Please click below to add students to your account.
